TOOL BOXES

Built with a rugged 16-gauge steel frame, the South Forty Specialties Toolbox Series is designed for strength and everyday performance. Smooth-rolling 6” casters (two swivel with locks, two fixed) provide easy mobility, while a central locking system keeps tools secure. Integrated drawer liners and a protective countertop mat come standard, with select models offering built-in power options, including outlets, USB ports, and a power drawer with charging capability, to keep your workspace efficient and clutter-free.
