

SD STEEL CABINET GROUPINGS

Our SD Line cabinet groupings are thoughtfully designed, ready-to-order systems built from 18-gauge steel to take the guesswork out of creating a functional, good-looking garage or workspace. Each grouping is sold as a complete set, with cabinets engineered to work together seamlessly in both layout and performance. These systems offer a balanced mix of storage, workspace, and durability—giving you a professional-grade setup without starting from scratch. Whether you choose a preconfigured SD Line grouping or build a custom system, you'll get the same clean design, reliable strength, and long-lasting performance South Forty is known for.

STANDARD FEATURES:

- 18-Gauge steel construction ensures long-lasting strength
- Full-length stainless steel hinges for smooth operation
- Flush mount chrome or black latch with raised trigger
- Textured powder-coated finish for a durable, professional look
- All Storage Cabinets come 72" or 78"H with 6" legs (78" or 84" is full height on these models)
- Adjustable feet

**All dimensions are approximate and may vary due to standard manufacturing tolerances.*
