

HD SLIDE-OUT CABINETS

The South Forty Slide Out specialty cabinet is designed for efficient, high-density storage with enhanced accessibility. The cabinet features full-extension slide-out assemblies that allow complete access to stored contents without unloading adjacent items. Multiple integrated storage solutions provide flexibility for organizing tools, components, and equipment of varying sizes. The interior configuration may include customization to meet specific workflow and storage requirements. Heavy-duty construction ensures durability under frequent use, while precision slides deliver smooth, controlled operation even when fully loaded. The cabinet is ideal for garage, sheds, industrial, maintenance, warehouse, commercial and any environment where space optimization, organization, and rapid access are critical.
