STORAGE RACKING

Designed for serious storage, this heavy-duty steel racking system features four fixed shelves with a 1,000 lb load rating per shelf. When properly installed, the unit supports up to 4,000 lb total. Constructed with reinforced steel uprights and beams for exceptional strength and stability, and finished with a durable powder-coat for corrosion and abrasion resistance. Perfect for industrial, commercial, and high-traffic storage environments.

STANDARD FEATURES:

- (4) Leveling feet
- (4) Fixed shelves
- Textured powder-coated finish for a durable, professional look
- Some assembly required
